Lestidae								Phyllogomphoides duodentatus															
Lestes forficula								Libellulidae															
Lestes tenuatus								Anatya guttata															
Platystictidae								Brachymesia furcata															
Palaemnema desiderata								Brachymesia herbida															
Calopterygidae								Cannaphila insularis															
Hetaerina titia								Dythemis sterilis															
Coenagrionidae								Erythemis haematogastra															
Acanthagrion inexpectum								Erythemis mithroides															
Acanthagrion quadratum								Erythemis peruviana															
Argia calida								Erythemis plebeja															
Argia gaumeri								Erythemis simplicicollis															
Argia oenea								Erythemis vesiculosa															
Argia pulla								Erythrodiplax berenice															
Enacantha caribbea								Erythrodiplax fervida															
Ischnura capreolus								Erythrodiplax fusca															
Ischnura posita								Erythrodiplax umbrata															
Ischnura ramburii								Idiataphe cubensis															
Leptobasis candelaria								Libellula gaigei															
Leptobasis lucifer								Libellula herculea															
Leptobasis vacillans								Macrothemis hemichlora															
Nehalennia minuta								Miathyria simplex															
Neoerythromma cultellatum								Micrathyria aequalis															
Neoneura amelia								Micrathyria atra															
Neoneura paya								Micrathyria debilis															
Nesobasis aurantiaca								Micrathyria didyma															
Protoneura corculum								Micrathyria hagenii															
Pseudostigma accedens								Orthemis discolor															
Telebasis collopistes								Orthemis ferruginea															
Telebasis filiola								Orthemis levis															
Telebasis salva								Pantala flavescens															
Aeshnidae								Pantala hymenaea															
Anax amazili								Perithemis domitia															
Anax concolor								Perithemis tenera															
Coryphaeschna adnexa								Planiplax sanguiventris															
Gynacantha mexicana								Tauriphila azteca															
Gynacantha nervosa								Tholymis citrina															
Remartinia secreta								Tramea abdominalis															
Triacanthagyna caribbea								Tramea darwini															
Triacanthagyna septima								Tramea insularis															
Gomphidae																							
Aphylla angustifolia
