Lestidae								Ophiogomphus cecilia															
Chalcolestes viridis								Cordulegastridae															
Lestes barbarus								Cordulegaster boltonii															
Lestes dryas								Corduliidae															
Lestes sponsa								Cordulia aenea															
Lestes virens								Epithea bimaculata															
Sympecma fusca								Somatochlora arctica															
Calopterygidae								Somatochlora flavomaculata															
Calopteryx splendens								Somatochlora metallica															
Calopteryx virgo								Libellulidae															
Platycnemididae								Crocothemis erythraea															
Platycnemis pennipes								Leucorrhinia albifrons															
Coenagrionidae								Leucorrhinia caudalis															
Coenagrion armatum								Leucorrhinia dubia															
Coenagrion hastulatum								Leucorrhinia pectoralis															
Coenagrion lunulatum								Leucorrhinia rubicunda															
Coenagrion puella								Libellula depressa															
Coenagrion pulchellum								Libellula fulva															
Enallagma cyathigerum								Libellula quadrimaculata															
Erythromma najas								Orthetrum cancellatum															
Erythromma viridulum								Orthetrum coerulescens															
Ischnura elegans								Sympetrum danae															
Ischnura pumilio								Sympetrum flaveolum															
Nehalennia speciosa								Sympetrum fonscolombii															
Pyrrhosoma nymphula								Sympetrum pedemontanum															
Aeshnidae								Sympetrum sanguineum															
Aeshna affinis								Sympetrum striolatum															
Aeshna cyanea								Sympetrum vulgatum															
Aeshna grandis																							
Aeshna juncea																							
Aeshna mixta																							
Aeshna serrata																							
Aeshna subarctica																							
Aeshna viridis																							
Anax ephippiger																							
Anax imperator																							
Anax parthenope																							
Brachytron pratense																							
Isoaeschna isoceles																							
Gomphidae																							
Gomphus vulgatissimus																							
Onychogomphus forcipatus
