Lestidae								Mecistogaster ornata								Brachymesia herbida								Pantala flavescens							
Archilestes grandis								Nehalennia minuta								Brechmorhoga mendax								Pantala hymenaea							
Lestes sigma								Neoerythromma gladiolatum								Brechmorhoga pertinax								Perithemis domitia							
Lestes tenuatus								Neoneura amelia								Brechmorhoga praecox								Perithemis intensa							
Platystictidae								Protoneura cara								Brechmorhoga tepeaca								Perithemis tenera							
Palaemnema domina								Telebasis filiola								Brechmorhoga vivax								Planiplax sanguiventris							
Calopterygidae								Telebasis isthmica								Cannaphila insularis								Pseudoleon superbus							
Hetaerina americana								Telebasis levis								Dythemis maya								Sympetrum corruptum							
Hetaerina calverti								Telebasis salva								Dythemis nigra								Sympetrum illotum							
Hetaerina capitalis								Aeshnidae								Dythemis nigrescens								Sympetrum signiferum							
Hetaerina cruentata								Aeshna persephone								Dythemis sterilis								Tauriphila australis							
Hetaerina infecta								Anax amazili								Erythemis attala								Tauriphila azteca							
Hetaerina occisa								Anax junius								Erythemis haematogastra								Tholymis citrina							
Hetaerina titia								Anax walsinghami								Erythemis mithroides								Tramea darwini							
Hetaerina vulnerata								Coryphaeschna adnexa								Erythemis plebeja								Tramea onusta							
Coenagrionidae								Coryphaeschna diapyra								Erythemis vesiculosa															
Apanisagrion lais								Gynacantha helenga								Erythrodiplax basifusca															
Argia anceps								Gynacantha nervosa								Erythrodiplax berenice															
Argia carlcooki								Remartinia luteipennis								Erythrodiplax fervida															
Argia cuprea								Rhionaeschna multicolor								Erythrodiplax funerea															
Argia extranea								Rhionaeschna psilus								Erythrodiplax umbrata															
Argia funcki								Rhionaeschna vazquezae								Libellula croceipennis															
Argia harknessi								Triacanthagyna caribbea								Libellula herculea															
Argia lugens								Triacanthagyna septima								Libellula needhami															
Argia mayi								Gomphidae								Libellula saturata															
Argia nahuana								Aphylla angustifolia								Macrothemis inacuta															
Argia oculata								Aphylla protracta								Macrothemis inequiunguis															
Argia oenea								Epigomphus crepidus								Macrothemis pseudimitans															
Argia pallens								Erpetogomphus bothrops								Miathyria marcella															
Argia pulla								Erpetogomphus crotalinus								Miathyria simplex															
Argia tezpi								Erpetogomphus elaps								Micrathyria aequalis															
Argia ulmeca								Erpetogomphus sipedon								Micrathyria atra															
Argia variabilis								Phyllocycla elongata								Micrathyria didyma															
Enallagma civile								Phyllogomphoides apiculatus								Micrathyria dissocians															
Enallagma novaehispaniae								Phyllogomphoides luisi								Micrathyria hagenii															
Enallagma praevarum								Phyllogomphoides nayaritensis								Micrathyria ocellata															
Enallagma semicirculare								Phyllogomphoides pacificus								Micrathyria schumanni															
Ischnura capreolus								Phyllogomphoides suasus								Orthemis discolor															
Ischnura denticollis								Progomphus clendoni								Orthemis ferruginea															
Ischnura hastata								Libellulidae								Orthemis levis															
Ischnura ramburii								Anatya guttata								Orthemis schmidtii															
Leptobasis vacillans								Brachymesia furcata								Pachydiplax longipennis
