<b>Lestidae</b>								Pseudostigma aberrans								Micrathyria aequalis							
Archilestes grandis								Pseudostigma accedens								Micrathyria debilis							
Lestes forficula								Telebasis boomsmae								Micrathyria didyma							
<b>Platystictidae</b>								Telebasis collopistes								Micrathyria dissocians							
Palaemnema desiderata								Telebasis digiticollis								Micrathyria ocellata							
Palaemnema paulitaba								Telebasis filiola								Nephepeltia flavifrons							
<b>Heteragrionidae</b>								Telebasis levis								Orthemis discolor							
Heteragrion alienum								Telebasis salva								Orthemis ferruginea							
Heteragrion tricellulare								<b>Aeshnidae</b>								Orthemis levis							
<b>Thaumtoneuridae</b>								Anax junius								Orthemis schmidtii							
Paraphlebia hyalina								Coryphaeschna adnexa								Pantala flavescens							
Paraphlebia quinta								Coryphaeschna viriditas								Perithemis domitia							
<b>Calopterygidae</b>								Gynacantha helenga								Perithemis tenera							
Hetaerina americana								Triacanthagyna caribbea								Tauriphila australis							
Hetaerina cruentata								Triacanthagyna ditzleri								Tauriphila azteca							
Hetaerina occisa								Triacanthagyna septima								Tholymis citrina							
Hetaerina pilula								<b>Gomphidae</b>								Tamea binotata							
Hetaerina sempronia								Aphylla angustifolia								Tamea darwini							
Hetaerina titia								Phyllocycla volsella								Tamea onusta							
<b>Coenagrionidae</b>								<b>Libellulidae</b>															
Acanthagrion quadratum								Brachymesia herbida															
Argia calida								Brechmorhoga nubecula															
Argia cuprea								Brechmorhoga praecox															
Argia frequentula								Cannaphila insularis															
Argia gaumeri								Dythemis nigra															
Argia indicatrix								Erythemis attala															
Argia oculata								Erythemis haematogastra															
Argia pipila								Erythemis mithroides															
Argia popoluca								Erythemis peruviana															
Argia pulla								Erythemis plebeja															
Argia translata								Erythemis simplicicollis															
Argia ulmeca								Erythemis vesiculosa															
Enallagma novaehispaniae								Erythrodiplax fervida															
Ischnura capreolus								Erythrodiplax fusca															
Ischnura hastata								Erythrodiplax umbrata															
Ischnura ramburii								Macrothemis hemichlora															
Leptobasis vacillans								Macrothemis inacuta															
Mecistogaster ornata								Macrothemis inequiunguis															
Neoneura amelia								Macrothemis musiva															
Neoneura paya								Macrothemis pseudimitans															
Protoneura aurantiaca								Miathyria marcella															
Psaironeura remissa								Miathyria simplex
